## 5" & 6" CLASS DTH HAMMERS

Rock Drilling Tools

- ◆ 5" & 6" class "T" Series TUBELESS DTH hammers
- ◆ Industry standard bit shanks (QL5, IR350R, QL6, IR360, MI6)
- ◆ Designed for drill bits without a Blow Tube / Foot Valve
- ◆ Eliminates catastrophic Blow Tube / Foot Valve breakage

- ◆ Increased airflow efficiency
- ◆ Higher performance & penetration rates with more efficient drill times
- ◆ Improved reliability
- ◆ Reduced costly down time and drilling operating costs
